### DIRECTORS' REPORT TO THE SHAREHOLDERS

The Board of Directors are pleased to present their report together with the un-audited financial statements of the Company for the second quarter ended December 31, 2023.

The Company's export sales have grown by 7% as compared to the same period last year. Sales during the first quarter remained at Rs. 2.76 B as compared to Rs. 2.58 B during the corresponding period. However, unfortunately the profit margins have dropped significantly due to significant appreciation in Pak Rupee, increased input costs including gas and electricity rates and increase in minimum wages by the provincial government. The profit after tax is Rs. 100.8 M as compared to Rs. 388.85 M during the same period last year.

The financial highlights of the performance of the Company is as under:

### **FINANCIAL HIGHLIGHTS**

### **SECOND QUARTER ENDED DECEMBER 31, 2023**

	Rupees in Thousands	
	2023	2022
Sales	2,762,197	2,582,672
Gross Profit	217,170	567,855
Profit from operations	34,080	372,362
Taxation	69,689	48,762
Profit after taxation	100,789	388,849

During the month, general elections have taken place, however, formation of new Government and taking over the economic affairs by them is still yet to happen. Successful negotiations with IMF by the new government is very important and critical for managing the current account balance of the Country. Going forward, long term stability in the economy of Pakistan is needed to sustain and improve the already challenging business environment and to ease inflation figures, reduce interest rates, reduce energy tariffs and improve the GDP growth percentage. Unless, these key parameters are achieved, the sustainability of profit margins will remain challenging.

We hope and pray that the new government makes progress in addressing these challenges to ease off the business environment.

### Acknowledgment

Directors would like to extend their gratitude towards shareholders and staff for their continued support and appreciation.

Our responsibility is to express a conclusion on this interim financial information based on our review.

The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and December 31, 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of the persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information for the half year ended 31<sup>st</sup> December, 2023, is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditor's review report is Mr. Zahid Hussain Zahid FCA.
