## CHAIRPERSON'S REVIEW REPORT

I am pleased to present this Review Report to the shareholders of the Company pertaining to the overall performance of the Board of Directors and the major achievements & activities that took place during the year.

The Board performed in professional manner for setting targets of its growth, exploring new markets & finding new customers and building confidence of their existing customers by maintaining high quality of its products. The Chief Executive provides reports and updates to the Board on regular basis on areas such as business plans, operating performance, cashflows, relevant financial information and risk management.

The year 2024 was a year of macro and fiscal stability for Pakistan. Such stability comes with tight monetary, trade and fiscal measures and policies, which comes with the price of slowing down of economy. The country witnessed tough economic parameters i.e. high inflation, removal of subsidies, high energy costs, increased labor costs, etc. With such challenging economic & market conditions, the Company achieved a growth of 11% in sales, which is appreciable achievement of the Board of Directors and management team. However, the margins shrunk during the year because of the tough international competition, due to which we were forced to quote as competitive prices as we could. Increased cost of doing business also played its part in reducing our margins. Further, year 2023 was a year of extra ordinary currency devaluation, which earned us some windfall income in the form of exchange gains, hence, the comparison of margins with year 2023 may not be the right approach.

I have no doubts that Board of Directors will continue to make tireless efforts for further growth and for increased profitability of the Company in forthcoming year and onwards. The Directors are also focused on continuous process improvements for which the Company has invested significantly during this year also. These investments are for capacity enhancements, process improvements as well as for energy conversation. The Company is also expanding its operations and have purchased additional factory plots for capacity enhancements. I wish all the successes for our dedicated Board of Directors and management team in their endeavors.

Despite heavy investments made during the year, the Company is proposing a dividend of 80% for its shareholders. We are thankful to our members for standing by us and for their support for all these years and request the same in future also.

In the end, I would like to thank all of the Board of Directors for making strenuous efforts in steering the company through these turbulent times and wish them all the best on my behalf and on behalf of all the members of the Company.  $\int_{-1}^{1} \int_{-1}^{1} \int_{$

## **DIRECTORS REPORT TO THE MEMBERS**

On behalf of the Board of Directors, its our pleasure to place before you the Audited Financial Statements of your Company for the year ended June 30th, 2024. These Financial Statement have been prepared in accordance with the requirements of International Accounting Standards and the provisions of the Companies Act, 2017 under section 227.

### **ECONOMIC OVERVIEW**

After an extremely challenging year (2022-23) in context of Pakistan's economy, we witnessed some signs of stability during the current year. The inflation figures have dropped down to single digit which has created room for the central bank to reduce interest rate from 22% to currently 17.5% and is expected to go down further till the calendar year end. The current account deficit remained under control through regulated imports by central bank. This has resulted in a stable exchange parity since last few months. Reduced international oil prices has also eased the trade and current account deficits. Also, the IMF approval of the next tranche would help in the sustainability of such stability, raising confidence among industrial and business community.

However, much needed tough fiscal measures by the Government have taken its toll, resulting in increased tax rate on textiles, increased super tax, increased energy cost, etc. Pakistan's textile exports therefore remained almost stagnant and grew by merely 0.93% to US\$ 16.55 B as compared to US\$ 16.50 B last year. The GDP growth during the year remained at 2.38% as compared to 0.29% growth in 2023 demonstrating the stability taking place in the economy of the country.

We hope that in light of these signs of recovery, the economic activity within the country will improve resulting in more growth and consumption. Government has also started negotiating with IPPs which we hope, should cause some tariff cuts and reduction in energy cost, consequently reducing some cost of manufacturing. Also, there is a brief window of opportunity of export orders which will be diverted to other countries due to political unrest and recent transition of government in Bangladesh. We should try to capitalize this opportunity as much as we can and secure more export orders in near future.

## **COMPANY'S PERFORMANCE**

Despite the economic challenges prevailing in the country, export sales have grown by 11.1% as compared to previous year and the turnover of Rs. 12.3 B was recorded as compared to Rs. 11.1 B in year 2023.

Net profit after tax of Rs. 559. 5 M was recorded, whereas the earning per share remained at Rs. 32.91 per share. Increased cost of doing business including labor costs, high energy cost, discontinuation of all governmental supports & subsidies, increased taxes and cut throat international competition are some of the factors contributing towards low margins. Extraordinary gains during the previous year have also widened to margin gaps between the corresponding year.

Company's directors, management team, staff and workers are trying hard to secure more export business with better margins to improve the results of the Company.

Following is the summarized P&L for a quick review:

## Independent Auditors' Report

# To The Members of Towellers Limited Report on the Audit of the Financial Statements

## Opinion

We have audited the annexed financial statements of Towellers Limited, which comprise the statement of financial position as at June 30, 2024, and the statement of profit or loss and the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss and statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2024 and of the profit and other comprehensive income, the changes in equity and its cash flows for the year then ended.

## Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Following are the Key audit matters:

## MUSHTAQ & CO.

| S.<br>No. | Key audit matter   | How the matter was addressed in audit   |
|-----------|--|---|
| 1         | REVENUE FROM CONTRACTS WITH CUSTOMERS (SALES)  | 3   |
|           | (Refer note 3.15 and note 28 to the financial statements)  | Our audit procedures amongst others included the following:   |
|           | The Company recognizes revenue from domestic as well as export customers when the performance obligation is satisfied by transferring control of a promised good to the customer. During the year, net sales have increased by 11.08%.  We considered revenue recognition as a key audit matter due to revenue being one of the key performance indicators of the Company and for the year revenue has increased as compared to the last year. In addition, revenue was also considered as an area of significant audit risk as part of the audit process. | <ul> <li>Assessed the design, implementation and<br/>operating effectiveness of key internal<br/>controls involved in revenue recognition;</li> </ul>         |
|           |  | Understood and evaluated the accounting policy with respect to revenue recognition;   |
|           |  | <ul> <li>Performed testing of revenue on a sample<br/>basis with underlying documentation<br/>including dispatch documents and sales<br/>invoices;</li> </ul> |
|           |  | <ul> <li>Performed cut-off procedures on sample<br/>basis to ensure sales have been recorded in<br/>the correct period;</li> </ul>                            |
|           |  | <ul> <li>Examined the commission as per<br/>Company's policy and verified related<br/>distribution expenses; and</li> </ul>                                   |
|           |  | <ul> <li>Ensured that presentation and disclosures<br/>related to revenue are being addressed<br/>appropriately.</li> </ul>                                   |

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon

# MUSHTAQ & CO. CHARTERED ACCOUNTANTS

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due
to fraud or error, design and perform audit procedures responsive to those risks, and obtain
audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
not detecting a material misstatement resulting from fraud is higher than for one resulting from

# MUSHTAQ & CO. CHARTERED ACCOUNTANTS

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including
  the disclosures, and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

 a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);

# MUSHTAQ & CO. CHARTERED ACCOUNTANTS

- b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was not deducted and deposited by the Company in the Central Zakat Fund established under section 7 of that Ordinance.

## Independent Auditor's Review Report

To the members of Towellers Limited on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulation, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Towellers Limited ("the Company") for the year ended 30 June 2024 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, except for the below mentioned instances of non-compliance, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2024.

Following instances of non-compliance with the requirements of the Code were observed which are stated as under:

| Requirement   | Regulation | Non-Compliances   |

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

- **2.5.2** The above standards, amendments to approved accounting standards and interpretations are not likely to have any material impact on the Company's financial statements.
- 2.5.3 Other than the aforesaid standards, interpretations and amendments, International Accounting Standards Board (IASB) has also issued the following standards and interpretation, which have not been notified locally or declared exempt by the Securities and Exchange Commission of Pakistan (SECP) as at June 30, 2024

IFRS 1 First-time Adoption of International Financial Reporting Standards

IFRS 17 Insurance Contracts

IFRIC 12 Service Concession Arrangement

## 2.5.4 Accounting guidance issued by Institute of Chartered Accountants of Pakistan (ICAP) on accounting for minimum taxes and final taxes.

ICAP issued a guidance "Application Guidance on Accounting for Minimum Taxes and Final Taxes" through circular No. 07/2024 dated May 15, 2024. In light of the said guidance, as the minimum taxes and final taxes are not calculated on the 'taxable profit' as defined in IAS - 12 but calculated on turnover or other basis (as per relevant sections of the Income Tax Ordinance, 2001 (ITO, 2001)), accordingly minimum taxes and final taxes should be accounted for under IAS 37/ IFRIC 21 as levies (though these are charged under tax law) and not under IAS - 12 as income taxes. Based on the guidance, the minimum taxes under ITO, 2001 are hybrid taxes which comprise of a component within the scope of IAS 12 (Income Tax) and a component within the scope of IFRIC 21 (Levies) and final taxes fall under levy within the scope of IAS 37/ IFRIC 21.

### 3 MATERIAL ACCOUNTING POLICY INFORMATION

The Company adopted Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statements 2 'Making Materiality Judgements') from July 1, 2023. Although amendments did not result in any changes to the accounting policies themselves, they impact the accounting policy information disclosed in the financial statements. The amendments require disclosure of 'material' rather than 'significant' accounting policies. The amendments also provide the guidance on the application of materiality to disclosure of accounting policies, assisting entities to provide useful entity specific accounting policy information that user need to understand other information in the financial statements. The material accounting policies set out below have been applied consistently to all periods presented in these financial statements.

## 3.1 Property, plant and equipment

The significant accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented unless otherwise stated.

## 3.1.1 Owned

These are stated at cost less accumulated depreciation and any identified impairment loss, except land which is stated at revalued amount less any identified impairment loss (if any), while building, plant and machinery are stated at revalued amount less accumulated depreciation and any identified impairment loss.

Depreciation on all items of property, plant and equipment is charged to income applying the reducing balance method so as to write off the depreciable amount of an asset over its estimated useful life. Depreciation is being charged at the rates given in note to property plant & equipment. Leasehold land is amortized over the term of lease, if material.

Depreciation on additions to property, plant and equipment is charged from the month in which an assets become available for use, while no depreciation is charged for the month in which the asset is disposed off.

The assets' residual values and useful lives are continually reviewed by the company and adjusted if impact on depreciation is significant. The company's estimate of the residual value of its property, plant and equipment as at June 30, 2024 has not required any adjustment, as its impact is considered insignificant.

The company continually assesses at each statement of financial position date whether there is any indication that property, plant and equipment may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying values exceed the respective recoverable amount, assets are written down to their recoverable amounts and the resulting impairment loss is recognized in profit and loss account for the year. The recoverable amount is the higher of an assets' fair value less costs to sell and value in use. Where an impairment loss is recognized, the depreciation charge is adjusted in the future periods to allocate the assets' revised carrying amount over its estimated useful life.

The profit or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as an income or expense. Maintenance and normal repairs are charged to income. Major renewals and improvements are capitalized.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

#### 3.2 Revaluation

Revaluation of freehold land are based on periodic, but atleast triennial, valuation by external independent valuer. Increase in the carrying amount arising on revaluation of freehold land are recognised in other comprehensive income and accumulated in shareholders' equity under the heading "Surplus on Revaluation of Freehold Land". To the extent that the increase reverses a decrease previously recognised in statement of profit or loss, the increase is first recognised in statement of profit or loss. Decreases that reverse previous increases are first recognised in

other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to statement of profit or loss.

The Company carries out revaluations, considering the change in circumstances and assumptions from latest revaluation. The fair value of the Company's free hold land is assessed by management based on independent valuation performed by an external property valuation expert as at year end after every three years. For valuation of free hold land, the current market prices are used which requires significant judgment as to estimating the revalued amount in terms of property size, location and layout etc.

#### 3.3 Capital work in progress

Capital work in progress is stated at cost less any identified impairment loss and represents expenditure incurred on fixed assets in the course of construction and installation. Transfers are made to relevant fixed assets category as and when assets are available for use.

#### 3.4 Intangible assets

These are stated at cost less accumulated amortization and accumulated impairment losses, if any.

Amortization is provided on straight line method. A full month's amortization is charged in the month of addition, and no amortization is charged in the month of de-recognition.

Rate of amortization, which is disclosed in the relevant note, Is designed to write-off the cost over the estimated useful life of the intangible asset.

The carrying value of the intangible assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying value exceeds the estimated recoverable amount, the assets or cash-generating units are written down to their recoverable amount.

## 3.5 Investments

Investments intended to be held for less than twelve months from the statement of financial position date or to be sold to raise operating capital, are included in current assets, all other investments are classified as non-current. Management determines the appropriate classification of its investments at the time of the purchase and re-evaluates such designation on a regular basis.

## 3.6 Loans, advances, deposits and other receivables

These are stated at cost. Provision is made for the amounts considered doubtful. Amounts considered irrecoverable are written off to profit and loss account.

## 3.7 Stores, spares and loose tools

These are stated at average cost and goods-in-transit are stated at actual cost.

Provision is made in the financial statements for obsolete and slow moving stores and spares based on management estimate.

## 3.8 Stock-in-trade

Stock-in-trade is stated at the lower of cost and net realizable value except waste which is valued at net realizable value. Cost is determined as follows;

Raw material At weighted average cost or replacement cost which ever is lower

Work in progress At average manufacturing cost

Finished goods At average manufacturing cost or net realisable value which ever is lower

Waste Net realizable value

Raw material in transit is stated at invoice price plus other charges paid thereon upto the balance sheet date.

Average manufacturing cost in relation to work in process and finished goods, consist of direct material and proportion of manufacturing overheads based on normal capacity.

Net realizable value is the estimated selling price in the ordinary course of business less costs of completion and selling expenses.

### 3.9 Trade debts

Trade debts are carried at original invoice amount which is the fair value of consideration to be received for goods and services less an estimate made for doubtful debts based on a review of all outstanding amounts at the year-end. Bad debts are written-off when identified.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

### 3.10 Staff retirement benefits - gratuity

The Company operates an unfunded gratuity scheme (defined benefit plan) for all its permanent employees who have completed minimum qualifying period of service as defined under the respective scheme. Liability is adjusted annually to cover the obligation and the adjustment is charged to profit or loss. The determination of the Company's obligation under the scheme requires assumptions to be made of future outcomes, the principal ones being in respect of increases in remuneration, expected average remaining working lives of employees and discount rate used to derive present value of defined benefit obligation.

There is risk that the final salary at the time of cessation of service is greater than what the entity has assumed. Since the benefit is calculated on the final salary, the benefit amount would also increase proportionately.

Amounts recognized in the balance sheet represent the present value of the defined benefit obligation as adjusted for unrecognized actuarial gains and losses and unrecognized past service cost.

Actuarial gains and losses are recognized in comprehensive income for the period in which these arise.

## 3.11 Trade and other payables

Liabilities for trade and other amounts payable are measured at cost which is the fair value of the consideration to be paid in future for goods and services received.

#### 3.12 Taxation

#### a Current year

Provision of current tax is based on the taxable income for the year determined in accordance with the prevailing law for taxation of income. The charge for current tax is calculated using prevailing tax rates. The charge for current tax also includes adjustments, where considered necessary, to provision for taxation made in previous years arising from assessments framed during the year for such years.

### b Levy

The amount calculated on taxable income using the notified tax rate is recognized as current income tax expense for the year in statement of profit or loss account. Any excess of expected income tax paid or payable for the year under the Ordinance over the amount designated as current income tax for the year, is then recognized as a levy.

### c Deferred

Deferred tax is accounted for using the statement of financial position liability method in respect of all temporary differences arising between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable income. Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on the tax rates that have been enacted. Deferred tax is charged or credited to profit or loss except to the extent that it relates to items recognised in other prehensive income or directly in the equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax assets and liabilities are offset if there is legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity but they intend to settle current tax liabilities and assets on a net basis or these tax assets and liabilities will be realised simultaneously.

### 3.13 Dividend

Dividend is recognized as a liability in the period in which it is approved by shareholders.

## 3.14 Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate of the amount can be made. Provisions are reviewed at each statement of financial position date and adjusted to reflect the current best estimate.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

#### 3.15 Revenue recognition

- According to the core principles of IFRS-15, the company recognizes the revenue from sale when the company satisfies a performance obligation (at a point of time) by transferring promised goods to customers being when the goods are dispatched to customers. Revenue is measured at fair value of the consideration received or receivable and is reduced for allowances such as taxes, duties, commission, sales returns and discounts.
- Return on bank balances is accrued on a time proportion basis by reference to the principal outstanding and the applicable rate of
- Dividend income and entitlement of bonus shares are recognized when right to receive such dividend and bonus shares is

#### 3.16 Borrowing cost

Borrowing costs are recognized as an expense in the period in which these are incurred except to the extent of borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset. Such borrowing costs are capitalized as part of the cost of that asset up to the date of its' commencing.

#### 3.17 Foreign currency transactions and translation

Foreign currency transactions are translated into Pak Rupees using the exchange rates prevailing at the dates of the transactions. All monetary assets and liabilities in foreign currencies are translated into Pak Rupees at the rates of exchange prevailing at the balance sheet date. Foreign exchange gains and losses on translation are recognized in the profit and loss account. All non-monetary items are translated into rupees at exchange rates prevailing on the date of transaction or on the date when fair values are determined.

#### 3.18 Cash and cash equivalents

Cash and cash equivalents comprise of cash at banks, cash in hand and short term deposits. For the purposes of cash flow statement cash and cash equivalents consist of cash and cash equivalents as defined above, net of temporary overdrawn bank balances.

#### 3.19 Impairment

#### **Financial Assets**

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets. The Company applies the simplified approach to recognise lifetime expected credit losses for trade debts, due from customers and contract assets. The Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The carrying amounts of non-financial assets are assessed at each reporting date to ascertain whether there is any indication of impairment. If such an indication exists, the asset's recoverable amount is estimated to determine the extent of impairment loss, if any. An impairment loss is recognized as an expense in the profit or loss. The recoverable amount is the higher of an asset's fair value less cost of disposal and value-in-use. Value-in-use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessments of the time value of money and the risk specific to the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). An impairment loss is reversed if there is a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

### 3.20 Financial instruments

The Company classifies its financial assets in the following measurement categories:i) Amortized cost where the effective interest rate method will apply;ii) Fair Value Through Profit or Loss (FVTPL); iii) Fair Value Through Other Comprehensive Income (FVTOCI) The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or Other Comprehensive Income (OCI). For investment in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

### Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commit to purchase or sell the asset. Further financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership. **Measurement** 

At initial recognition, the Company measure a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVTPL are expensed in profit or loss.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

#### d Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

#### Amortised cost

Assets that are held for collection of contractual cash flows where the contractual terms of the financial assets give rise on specified dates to cash flows that represent solelypayments of principal and interest, are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other income together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the profit or loss.

#### Fair Value Through Other Comprehensive Income (FVTOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the contractual terms of the financial asset give rise on specified dates to cash flows that represent solely payments of principal and interest, are measured at FVTOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income. Interest income from these financial assets is included in finance income using the effective interest rate method. Foreign exchange gains and losses are presented in other income and impairment expenses are presented as separate line item in the statement of profit or loss.

#### f Fair Value Through Profit or Loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. A gain or loss on a debt investment that is

subsequently measured at FVTPL is recognised in profit or loss and presented in finance income/cost in the period in which it arises.

#### g Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments continue to be recognised in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at FVTPL are recognized as other gains/ losses in the profit or loss as applicable. Impairment losses (and reversal of impairment losses) on equity investments measured are FVTOCI are not reported separately from other changes in fair value.

## 3.21 Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount is reported in the financial statements only when there is a legally enforceable right to setoff the recognized amount and the company intends either to settle on a net basis or to realize the assets and to settle the liabilities simultaneously.

### 3.22 Related party transactions

All transactions with related parties are carried out by the Company at arms' length price using the method prescribed under the Companies Act, 2017.

Nature of the related party relationship as well as information about the transactions and outstanding balances are disclosed in the relevant note to the financial statements.

## 3.23 Capital Management

The company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The board of directors monitors the return on capital and level of dividends to ordinary shareholders. The company seeks to keep a balance between the higher return that might be possible with higher level of borrowings and the advantages and security afforded by a sound capital position. There were no changes in the company's approach to capital management during the year. Further, the company is not subject to externally imposed capital requirements.

## 3.24 Segment reporting

Segment reporting is based on the operating (business) segments of the company. An operating segment is a component of the company that engages in a business activities from which it may earn revenues and incur expenses, including revenues and expenses that relates to transactions with any of the company's other components. An operating segment's operating results are reviewed by the CEO to make decision about resources to be allocated to the segment and assess its performance and for which discrete financial information is available. Segment results that are reported to the CEO includes items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items comprises mainly corporate assets, income tax assets, liabilities and related income and expenditure. Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment.

The business segments are engaged in providing products and services which are subject to risks and rewards which differ from the risk and reward of other segment Segments reported are garments and towels., which also reflects the management structure of company.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

### 3.25 Right-of-use asset

After the commencement date, the Company measures the right-of-use asset at cost less accumulated depreciation and accumulated identified impairment losses, if any, adjusted for any remeasurement of the lease liability.

The Company depreciates the cost of right-of-use asset, net of residual value, from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. However, if the lease contract transfers ownership of the underlying asset to the Company by the end of the lease term or if the cost of the right-of-use asset reflects that the Company will exercise the purchase option, the Company depreciates the right-of-use asset from the commencement date to the end of the useful life of the underlying asset.

### 3.26 Lease liabilities

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating a lease, if the lease term reflects the Company exercising the option to terminate. The variable lease payments that do not depend on an index or a rate are recognized as expense in the period on which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rates implicit in the leases are not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset.

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonable certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has several lease options that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factor that create an economic incentive for it to exercise the renewal or termination. After the commencement period, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate

### 3.27 Restatement

During the year the Institute of Chartered Accountant of Pakistan (ICAP) have withdrawn the Technical Release 27 "IAS 12, Income Taxes (Revised 2012)" and issued guidance - "IAS 12 Application Guidance on Accounting for Minimum Taxes and Final Taxes". The said guidance requires certain amounts of tax paid under minimum tax (which is not adjustable against future income tax liability) and final tax regime to be shown separately as a levy instead of showing it in current tax.

Accordingly, the impact has been incorporated in these financial statements retrospectively in accordance with the requirement of International Accounting Standard (IAS 8) — 'Accounting Policies, Change in Accounting Estimates and Errors'. There has been no effect on the statement of financial position, the statement of changes in equity, the statement of cash flows and earning per share as a result of this change.

5.2 Rental contracts are made for a fixed period subject to renewal upon mutual consent of Company and lessor. Wherever practicable, the Company seeks to include extension option to provide operational flexibility. Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions.

Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised. Finance charge of 17.5% (2023: 17.5%) per annum have been used as discounting factor.

### 27 CONTINGENCIES AND COMMITMENTS

### 27.1 Contingencies

27.1.1 The Company filed CP No.D-6619 in the Sindh High Court on dated 31-10-2017 against the imposition of section 5A of income tax ordinance 2001 for the tax on undistributed profit. The Hounarable Sindh High Court grant stay order and repondents have restrained for taking any action against the Company pursuant to the impugned ammendments in Finance Act 2017. Therefore no provision for the tax on undistributed profit has been recorded in this financial statement ended June 30, 2024.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

27.1.2 During the year the Company received a notice by Federal Board of Revenue to recover the Super Tax on presumptive incomes and on income from other sources which was also at higher rates, amounting to Rs. 68.23 M, against which no provision has been made in the accounts (on additional heads). The Company had filed a petition challenging the vires of super tax schedule amended retrospectively along with notice issued and/or any proceeding initiated by the Inland Revenue in terms of Section 4-C of the Income Tax Ordinance, 2001 before the Islamabad High Court. The Honorable Court has granted stay on the recovery of such additional super tax.

In case of unfavorable outcome of the case, the Company might have to incur an additional super tax liability of Rs. 44.48 M, though the Company is confident that such retrospective incurrence of tax will not be allowed by the Honorable Court.

### 39 FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

The company has exposures to the following risks from its use of financial instruments.

- 39.1 Credit risk
- 39.2 Liquidity risk
- 39.3 Market risk

The board of directors has overall responsibility for the establishment and oversight of company's risk management framework. The board is also responsible for developing and monitoring the company's risk management policies.

### 39.1 Credit risk

### 39.1.1 Exposure to credit risk

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Carrying amounts of financial assets represent the maximum credit exposure. Credit risk of the Company arises from deposits with banks, trade debts, loans and advances and other receivables. The management assesses the credit quality of the customers, taking into account their financial position, past experience and other factors. Individual risk limits are set based on internal or external ratings in accordance with limits set by the Board. The utilisation of credit limits is regularly monitored.

The Company monitors the credit quality of its financial assets with reference to historical performance of such assets and available external credit ratings.

Carrying values of financial assets exposed to credit risk and which are neither past due nor impaired are as under:

39.1.4 Credit quality of counter parties is assessed based on historical default rates. All receivables past due are considered good. The management believes that allowance for impairment of receivables past due is not necessary, as these comprise amounts due from old customers, which have been renegotiated from time to time and are also considered good.

### 39.2 Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the company's reputation. The following are the contractual maturities of financial liabilities, includir

39.2.1 The contractual cash flows relating to the above financial liabilities have been determined on the basis of mark up rates effective as at June 30. The rates of mark up have been disclosed in relevant notes to these financial statements.

### 39.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities, and liquidity in the market. The company is exposed to currency risk and interest rate risk only.

### 39.3.1 Currency risk

### Exposure to currency risk

US Dollar to Rupee

The company is exposed to currency risk on trade debts, borrowing and import of raw material and stores that are denominated in a currency other than the respective functional currency of the company, primarily in US Dollar and Euro. The currencies in which these transactions primarily are denominated is US Dollar and Euro. The company's exposure to foreign currency risk is as follows:

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

### Sensitivity analysis

10% weakening of Pak Rupee against the following currencies at June 30, would have increased / (decreased) equity and profit and loss by the amount shown below. The analysis assumes that all other variables, in particular interest rates, remain constant. 10% weakening of Pak Rupee against the above currencies at periods ends would have had the equal but opposites effect on the above currencies to the amount shown below, on the basis that all other variables remain constant.

|           | 2024<br>Rupees | 2023<br>Rupees |
|-----------|----------------|----------------|
| US Dollar | (221,987,249)  | (113,028,456)  |

The sensitivity analysis prepared is not necessarily indicative of the effects on profit for the year and liabilities of the company.

### 39.3.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposures arises from short and long term borrowings from bank and term deposits and deposits in PLS saving accounts with banks. At the balance sheet date the interest rate profile of the company's interest bearing financial instrument is as follows.

| Fixed rate instruments    |               |               |
|---------------------------|---------------|---------------|
| Financial assets          | 4,444,140,556 | 4,365,844,750 |
| Variable rate instruments |               |               |
| Financial assets          | 468,696,120   | 268,788,749   |
| Financial liabilities     | 2,339,921,802 | 2,233,290,570 |

### Fair value sensitivity analysis for fixed rate instruments

The company does not account for any fixed rate financial assets and liabilities at fair value through profit and loss. Therefore, a change in interest rates at the reporting date would not affect profit and loss account.

### Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased / (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for line 30, 2024.

|  | Profit an          | d loss             | Eq                 | uity               |

### 39.3.3 Other Price Risk

Other price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The company is not exposed to commodity price risk as it does not hold financial instruments based commodity prices.

### 39.4 Fair value of financial assets and liabilities

The carrying value of all financial instruments reflected in the financial statements approximate to their fair values. Fair value is determined on the basis of objective evidence at each reporting date.

### 39.5 Off balance sheet items

Bank guarantees issued in ordinary course of business

| 6,231,418 |
|-----------|
|           |

39.6 The effective rate of interest / mark up for the monetary financial assets and liabilities are mentioned in respective notes to the financial statements.

### 40 CAPITAL RISK MANAGEMENT

The company's prime object when managing capital is to safeguard its ability to continue as a going concern in order to provide adequate returns for shareholder and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, the company monitors capital on the basis of the gearing ratio. The ratio is calculated as total borrowings divided by total capital employed. Borrowings represent long term financing, long term financing from directors and others and short term borrowings. Total capital employed includes total equity as shown in the balance sheet plus borrowings.

| Total equity           | Rupees     | 8,739,778,206 | 7,560,745,472 |
|------------------------|------------|---------------|---------------|
| Total borrowing        | Rupees     | 286,621,333   | 10.247.077    |
| Total capital employed | Rupees     | 9,026,399,539 | 7,570,992,549 |
| Gearing ratio          | Percentage | 3.18%         | 0.14%         |

### 41 MEASUREMENT OF FAIR VALUES:

A number of the Company's accounting policies and disclosure require the the measurement of fair values, for both financial, if any and non-financial assets and financial liabilities. The carrying value of financial assets and financial liabilities approximates their fair values.

When measuring the fair value of an asset or a liability, the Company uses valuation techniques that are appropriate in the circumstances and uses abservable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

-Level 1:Quoted prices(unadjusted) in active markets for identical assets or liabilities.

-Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or Laibility, either directly (i.e. as prices) or indirectly (i.e. derived/rom prices).

-Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

There were no transfers between different levels of fair values mentioned above. The respective basis of valuation at fair values are disclosed in notes to the account wherever applicable.

# سر مابیکاری کے منصوبے

کمپنی مارجن اور منافع میں اضافہ کیلئے پیداواری صلاحیت اور کارکردگی کو بڑھانے کیلئے پرعزم ہے، اسی لئے کمپنی نے اس مقصد کیلئے مشینری کی خریداری میں سرمایہ کاری جاری رکھی ہوئی ہے۔ سال کے دوران کمپنی منیونی چرنگ پر اسس کوزیادہ بہتر بنانے کیلئے مختلف مشینری اور سازو سامان خریدنے کیلئے 500 ملین روپے کی سرمایہ کاری کی جس میں بائیو ماس فائر ڈ اسٹیم بوائر، کیفر بوسٹنگ اور کمپیکٹنگ لائن، کیفر ریز نگ مشین، بروکنر اسٹیم بھر مشین ، کورینوسپر سلیٹ اسکوئیز نگ مشین ، تقرموآئل بوائلر ، بیا نکالانی ایئر فلوڈ رائنگ اور سوفٹنگ مشین ، ایم آرٹی اسمارٹ بینکنگ ریل سسٹم ، کیفر شیئر نگ مشین ، مختلف خصوصی سلائی مشینوں کی ایپ گریشن ، کیٹرے ریکٹے والی مشین ، نائنگ مشینیں اور دیگر متعدد شینیں شامل ہیں۔

# شيئر ہولڈنگ کانمونہ

کمپنی ایک ، 2017 کے سیشن (f)(2)(2)(2 کے مطابق کمپنی کا 30 جون ، 2024 تک شیئر ہولڈنگ کانموندر پورٹ کے ساتھ لف ہے۔

# ڈائر یکٹرٹریننگ

سمپنی اپنے بورڈممبران کی پیشہ ورانہ ترقی میں گہری دلچیں لیتی ہے۔ڈائر یکٹرز کو کارپوریٹ گورننس اور دیگرریگولیٹری تبدیلیوں سے متعلق قوانین اور موجودہ معاملات کے بارے میں تازہ ترین صورتحال ہے آگاہ رکھا جاتا ہے۔ کمپنی کے پانچ ڈائر یکٹرز نے تی بی جی قواعد کی فٹیل کرتے ہوئے پاکستان انسٹی ٹیوٹ آف کارپوریٹ گورننس (پی آئی سی جی ) سڑیفیکیشن مکمل کی ہے۔

# اراكين كيليّے ڈائر يكٹرزر بورٹ

بورڈ آف ڈائر کیٹرز کی طرف سے 30 جون، 2024 کو مکمل ہونے والے سال کیلئے کمپنی کے پڑتال شدہ مالی گوشوارے پیش کرنے میں ہمیں انتہائی مسرت ہورہی ہے۔ یہ مالی گوشوارے اکاؤنٹنگ کے عالمی معیارات کے تقاضوں او کینینز ایکٹ 2017 کے سیشن 227 کی دفعات کے مطابق تیار کئے ہیں۔ گئے ہیں۔

مالی سال 2022-2023 پاکستان کی معیشت کے لئے انتہائی مشکل سال تھا تا ہم رواں مالی سال کے دوران کچھ حد تک معاشی استحکام کا مشاہدہ کیا گیا۔
افراط زر کی شرح سنگل ڈ بجٹ تک آگئی جس سے مرکزی بینک نے بھی شرح سود 22 فیصد کم کر کے 17.5 فیصد کر دی۔شرح سود میں کلینڈر سال کے اختتام
تک مزید کی کی توقع ہے۔ مرکزی بینک کی طرف سے درآ مدی اقدامات کی بدولت حسابات جاربیکا خسارہ کنٹرول میں رہا جس کا نتیجہ گزشتہ چند ماہ سے
زرمباد لہ میں مساوی استحکام کی صورت میں دیکھنے کو ملاے عالمی سطح پرتیل کی قیمتوں میں کمی سے بھی شجارت اور حسابات جاربیہ کے خسارے میں کمی ہوئی۔ اس کے علاوہ آئی ایم ایف کی طرف سے آگلی قسط کی منظوری سے بھی پائیدار استحکام ، انڈسٹر میل اور کا روباری برادری کے درمیان اعتاد کی فضا میں اضافہ میں مدو ملے گی۔

تا ہم حکومت کی طرف سے کئے جانے والے سخت مالی اقد امات کا نتیجہ ٹیکسٹائل پرشرح ٹیکس میں اضافہ، تو انائی کی زیادہ لاگت کی صورت میں نکلا۔ پاکستان کی ٹیکسٹائل برآ مدات تقریباً جمود کا شکار رہی اور گزشتہ سال کے 16.50 بلین روپے کے مقابلے میں محض 0.93 فیصد اضافہ کے ساتھ 16.55 بلین روپے رہی۔ 2023 میں 0.29 فیصد رہی جو ملک کی مقابلے میں رواں سال کے دوران جی ڈی ٹی کی شرح نمو 2.38 فیصد رہی جو ملک کی معیشت میں استحام کا عکاس ہے۔

ندکورہ بالامعاثی بحالی کے تناظر میں ہمیں امید ہے کہ ملک میں اقتصادی سرگرمیاں بہتر ہونے سے نمواور کھیت میں اضافہ ہوگا۔ حکومت نے آئی پی بیز کے ساتھ بھی بات چیت کاعمل شروع کیا ہے جس سے امید ہے کہ ٹیمرف اور توانائی کی لاگت میں کمی آنے سے مینوفیکچرنگ کی لاگت کچھ حدکم ہوگا۔ بنگلہ دیش میں سیاسی عدم استحکام اور حالیہ حکومتی تبدیلی کی وجہ سے درآ مدی آرڈرز دیگر ممالک کی طرف منتقل ہونے کوموقع ہے جس سے ہمیں بھر پور فائدہ اٹھانے کی کوشش کرنی چا ہیے اور مستقبل قریب میں زیادہ سے زیادہ برآ مدی آرڈرز کو محفوظ کرنا چا ہیے۔

# سمپنی کی کارکردگی

ملک میں جاری معاثی مشکلات کے باوجود کمپنی کی برآ مدی فروخت میں گزشتہ سال کے مقابلے میں 11.1 فیصد اضافہ ہوا فروخت سے حاصل ہونیوالی آمدن 2023 میں 11.1 بلین رویے کے مقابلے میں 12.3 بلین رویے رہی۔

کمپنی کا بعد از ٹیکس خالص منافع 5.955 ملین روپے جبکہ فی حصص آمدن 32.91روپے فی حصص رہا۔ افرادی قوت کی لاگتوں، توانائی کی زیادہ قیمتیں، حکومت کی طرف سے امداد اور سبسٹریز کا خاتمہ، زیادہ ٹیکسوں اور سخت عالمی مسابقت سمیت کاروبار کرنے کی بڑھتی ہوئی لاگت چندعوامل ہیں جو کم مارجن کا باعث بن رہے ہیں۔ گزشتہ سال کے دوران حاصل کردہ غیر معمولی منافع نے متعلقہ سال کے دومیان مارجن کے فرق کو بڑھادیا۔

کمپنی کے ڈائر کیٹرز، انتظامی ٹیم، سٹاف اور ورکرز کمپنی کے مالی نتائج کو بہتر بنانے کیلئے بہتر مارجن کے حامل درآمدی کاروبار حاصل کرنے کیلئے سخت کام کررہے ہیں

# چيئر پرس جائزه رپورك

مجھے سال کے دوران بورڈ آف ڈائر بکٹرز کی مجموعی کارکردگی اور کمپنی کی بڑی کامیابیوں اور کاروباری سرگرمیوں سے متعلق کمپنی کے قصص یافتگان کو جائزہ رپورٹ پیش کرنے میں انتہائی مسرت ہورہی ہے۔

بورڈ نے کمپنی کی پائیدارتر تی ، کمپنی کی مصنوعات کے اعلیٰ معیار کو برقر ارر کھتے ہوئے نئی مارکیٹس کی دریافت، نئے صارفین کوراغب کرنے کے ساتھ ساتھ موجودہ صارفین کے اعتماد میں اضافہ کیلئے پیشہ وارانہ انداز میں کام کیا۔ چیف ایگزیکٹو کی طرف سے کاروباری منصوبوں، آپریٹنگ کارکردگی ، کیش فلوز، متعلقہ مالی معلومات اوررسک مینجنٹ جیسے شعبوں بربا قاعدگی سے بورڈ کوریورٹس اور تازہ ترین صورتحال فراہم کی جاتی ہیں۔

سال بورڈ نے کمپنی کی پائیدارتر تی بمپنی کی مصنوعات کے اعلیٰ معیار کو برقر ارر کھتے ہوئے نئی مارکیٹس کی دریافت، نئے صارفین کوراغب کرنے کے ساتھ ساتھ موجودہ صارفین کے اعتاد میں اضافہ کیلئے بیشہ وارانہ انداز میں کام کیا۔ چیف ایگزیکٹو کی طرف سے کاروباری منصوبوں ، آپریٹنگ کارکردگی ، کیش فلوز ، متعلقہ مالی معلومات اوررسک مینجمنٹ جیسے شعبوں پر باقاعد گی سے بورڈ کورپورٹس اور تازہ ترین صورتحال فراہم کی جاتی ہیں۔

سال 2024 پاکستان کیلے میکرواور مالی استخام کا سال تھا تا ہم تخت زری ، تجارتی اور مالی اقد امات اور پالیسیوں کی قیمت معیشت میں ست روی کی شکل میں ادا کرنی پڑی۔ ملک کو بلند افراط زر، سبسٹریز کا خاتمہ، تو انائی کی بہت زیادہ لاگت اور افرادی قوت کی لاگتوں میں اضافہ کی صورت میں سخت معاشی اقد مات کا سامنا رہا۔ معیشت اور مارکیٹ کے حوالے سے اس طرح کے مشکل حالات کے باوجود کمپنی نے فروخت میں 11 فیصد اضافہ حاصل کیا جو بورڈ آف ڈ ائر کیٹر زاورا نظامی ٹیم کی قابل تحسین کا میابی ہے۔ تا ہم سال کے دوران عالمی شطح پر بہت زیادہ مسابقت کے باعث مارجن سکڑ اوکا شکار رہاجس کی وجہ سے ہم جتنا ہوسکا مسابقتی قیمتوں پر ہی مصنوعات و سے پر مجبور ہوئے۔ کاروباری لاگت میں اضافہ نے بھی مارجن میں کمی میں اپنا کردارادا کیا۔ اس کے علاوہ سال 2023 کے دوران کرنس کی بہت زیادہ بے قدری دیکھنے کو لی جس کی وجہ سے ہمیں زرمبادلہ کے منافع کی شکل میں کچھوٹڈ فال آمدن حاصل کے وقدری سے بھیں ترمبادلہ کے منافع کی شکل میں کچھوٹڈ فال آمدن حاصل ہوئی اس کے باوجود بھی سال 2023 کے ساتھ مارجن کا مواز نہ درست اقد امنہیں ہوسکتا۔

اس میں کوئی شکنہیں ہے کہ بورڈ آف ڈائر کیٹرز آنے والے سالوں میں کمپنی کوتر قی کی مزید بلند یوں تک لے جانے اور منافع میں اضافہ کیلئے اپنی انتقاک کوششیں جاری رکھیں گے۔ ڈائر کیٹرز نے پراسس میں مسلسل بہتری پربھی توجہ مرکوز کی جس کیلئے کمپنی نے اس سال کے دوران بھی نمایاں سرمایہ کی۔ یہ سرمایہ کاریاں صلاحیت میں اضافہ، پراسس میں بہتری کے ساتھ توانائی میں بچت کیلئے کی گئیں۔ میں بورڈ آف ڈائر کیٹرزاورا نظامی ٹیم کیلئے ان کی کوششوں میں کامیانی کیلئے نیک خواہشات کا اظہار کرتی ہوں۔

سال کے دوران کی جانے والی بھاری سر مابیکاریوں کے باوجود کمپنی تھس یافتگان کیلئے 80 فیصد منافع منقسمہ تجویز کررہی ہے۔ہم ان سالوں کے دوران مارے ساتھ کھڑے در ہنے اور معاونت کرنے پراپنے اراکین کے شکر گزار ہیں اور مستقبل میں بھی اسی جذبہ کے اظہار کی امید کرتے ہیں۔ آخر میں، میں کمپنی کوان مشکل وقتوں اور حالات سے نکالنے میں بورڈ آف ڈائز یکٹرز کی تخت محنت اور عزم کیلئے ان کاشکرییا داکر ناچا ہوں گی اور اپنی اور کمپنی کے تنام اراکین کی طرف سے ان کیلئے نیک تمناؤں کا اظہار کرتی ہوں۔
